MEET YOUR INCREDIBLE FOUR CREATIVES!

Stephanie @ Quilt Addicts Anonymous

Stephanie Soebbing the owner of Quilt Addicts Anonymous started quilting just after college, just for something to do. At that time, really not that long ago, there weren't that many good tutorials on the web for quilters getting started. She seriously sewed with a regular presser foot for a year and didn't realize why she sewed a consistent three eighths-inch seam until she finally took her first quilting class. From then on, she was addicted, and after taking one of two classes and trying out every technique available, she wanted to share her gained knowledge with the rest of the beginners on the Internet struggling to improve their quilting skills and has been doing so for over 15 years. As an established, pattern designer, teacher, podcaster, blogger, and savvy social media marketer, she has grown her on-line audience from around the world and continues to share her passion for fabrics, quilting, and sewing through her popular YouTube Channel.

Chantal @ Quilt Addicts Anonymous

Chantal Irish is the creator and social media influencer behind @sewfreakingawesome on instagram & collaborating with Stephanie. Trained with a degree in Interior Architecture as well as Anthropology, she uses her keen eye for pattern and design along with her love of bold color to spice up her work. As a former toy department designer, she loves all things playful and fun. Upon having children, she turned to quilting as a means of therapy to help in the healing process while recovering from Postpartum Depression and the rest is history. Currently she is using her accidental love of hand sewing to teach all ages, including children at a local art and nature summer camp this summer. In her free time she takes a nap because she has children and desperately needs some well earned sleep.

Cindy @ Riley Blake Designs®

Cindy Cloward, a lifelong sewist, became an avid quilter during the early stages of launching Riley Blake Designs. Alongside her husband, a talented group of artists, and a dedicated team, she has grown this family business into a leading manufacturer in the sewing and quilting industry. Cindy is passionate about well-designed fabrics and enjoys quilting whenever she has a spare moment. RBD is also known for producing notions and finished goods, including a unique seam ripper that Cindy designed and patented in the US, Canada, and Europe. Known as "Cindy's Seam Ripper," its original design has earned it the reputation of being the "best little unpicker." Additionally, Cindy is the visionary behind Garden of Quilts, an outdoor quilt show in Utah entering its seventh year this September. Beyond fabric, Cindy considers her children her greatest creations and derives infinite joy from her family. She and her husband, Bret, are the grateful parents of four children and four grandchildren.
